We pray for an effective legacy and not least in a sense of pride as transforming members of God's creation in this locality. We give thanks for the newly designated Hull Minster and ask for guidance in how best support might be given to a community who "gathers in and sends out".   |
| <b>Fri 4</b> | <b>Hull Minster:</b> We give thanks for: the impact of City of Culture on the aspirations of Hull and the regeneration within and around the new Minster; the growing opportunities that we have to be 'salt and light'; for our dedicated and diverse team of staff and volunteers, working under many challenges amidst the building works, a busy events programme and increased footfall. Please pray for: changed lives among those who attend worship and visit here, particularly those who attended the recent Alpha course; stability and sustainability in our finances and those with the skills to help us achieve that. |
